Everybody move your hips!
Come on give it up for chipz!

Every day I get a wake up call
Finding my way to the shoppingmall
But I won't leave till
I've kissed my friend
And I'm happy to see you again

One on the left, ne on the right
I'll be back home tonight

Kiss me, Kiss me, Baby will you miss me
I'll be back home before
The sun goes down
Kiss me, Kiss me, Baby will you miss me
Gotta go now, But I'll be around

Saturday I'm at the shoppingmall
This time not to work
But to have a ball
Little store in and a big store out
And the girls are checkin'
out the shops now

One on the left, ne on the right
I'll be back home tonight

Kiss me, Kiss me, Baby will you miss me
I'll be back home before
The sun goes down
Kiss me, Kiss me, Baby will you miss me
Gotta go now, But I'll be around

Everybody move you hips!
Come on give it up for chipz!
Everybody move you hips!
Come on give it up for chipz!

Kiss me, Kiss me, Baby will you miss me
I'll be back home before

The sun goes down
Kiss me, Kiss me, Baby will you miss me
Gotta go now, But I'll be around

Kiss me, Kiss me, Baby will you miss me
I'll be back home before
The sun goes down
Kiss me, Kiss me, Baby will you miss me
Gotta go now, But I'll be around
