Goin' high high high
With a spaceship in the sky
Never down down down
The stars are all around
Goin' high high high
I never even try
To go down down down

I travel by train
By boat or car
I go by plain when it is too far
But it's a dream comin' true
To see the milky way with you

Take me to the milky way
Ah hoo Wah heehee
Take me to the milky way
Oh whee Ho whee Hee

The shining stars
They're all around
Explore the unknown
So much to be found
Ch!pz is back and we are in control
Forty lights years away and we're ready to roll

Take me to the milky way
Ah hoo Wah heehee
Take me to the milky way
Oh whee Ho whee Hee

Take me to the milky way
Ah hoo Wah heehee
Take me to the milky way
Oh whee Ho whee Hee
