We're gonna make our way
to Hollywood
A star on sunset b. is understood

We put our make up on
and hit the stage
We're gonna blow - you away

Cause when the music starts
And all the lights are on
We're gonna play all night long

Rockstar
Wanna be a Rockstar
Wanna play the guitar
Gonna rock it for you
Oh oh
Rockstar
Wanne be a Rockstar
Wanne drive a fast car
Cause that's what they do
I wanna be a star
I wanna be a rockstar

We put the spandex on
and fix the hair
The fans are screaming
They are everywhere!

Turn on the radio
They play our song
From Londen to L.A.
This can't be wrong

Cause when the music stars
And all the lights are on
We gonna play all night long

Rockstar
Wanna be a Rockstar
Wanna play the guitar

Gonna rock it for you
Oh oh
Rockstar
Wanne be a Rockstar
Wanne drive a fast car
Cause that's what they do
I wanna be a star
I wanna be a rockstar
