Let me tell you a story, of a far away land.
If you're afraid of the darkness, baby reach for my
hand.

With a crash and a bang, again and again
I'll give you the best, that a warrior hero can

[Chorus:]

I am the savior, I am the warrior
I am the hero in your dream
I am the savior, I am the warrior
I wanna show you what I mean

Slay, slay, the dragon's head,
Slay, slay, he won't come back
Slay, slay, we fight the bad tonight. (all right)

If you come with me now, it may be danger you find.
But you don't have to worry, because it's all in your
mind.

With a crash and a bang, again and again
I'll give you the best, that a warrior here can

[Chorus]

Slay, slay, the dragon's head,
Slay, slay, he won't come back
Slay, slay, we fight the bad tonight. (all right)

Slay, slay, we find the place
Slay, slay, the dragon's back
Slay, slay we won't come back
Slay, slay

With a crash and a bang, again and again
I'll give you the best, that a warrior hero can

[Chorus 3x]

Slay, slay, the dragon's head,

Slay, slay, he won't come back
Slay, slay, we fight the bad tonight. (all right)

All right (5x)
We fight the bad tonight. (all right)
