Seven years and all my fears  
Have been reduced to endless tears  
And since you're gone I've searched too long  
Never found a love this strong

Couldn't feel your love  
I was just too numb  
Baby I was the fool  
Living on the run

Now I'll stand up for love  
Cause it's all that I need  
Never knew how I'd hurt  
'Till I felt my soul bleed  
Then I let your heart break  
From one piece to two  
Never realized that  
It was always you

I've hurt you so but still I know  
Deep inside I can't let go  
A second chance at our first dance  
One more try to find romance

I just need your love  
Don't wanna let you go  
Yeah I know you're the one  
Baby don't say no

Now I'll stand up for love  
Cause it's all that I need  
Never knew how I'd hurt  
'Till I felt my soul bleed  
Then I let your heart break  
From one piece to two  
Never realized that  
It was always you

(Always you)  
It was always  
(Always you)  
It was always

(Always you)  
Always you

Now I'll stand up for love  
Cause it's all that I need  
Never knew how I'd hurt  
'Till I felt my soul bleed  
Then I let your heart break  
From one piece to two  
Never realized that  
It was always you
