Escher's World.

through the passing strange I fell

to the wide-eyed opposite

my agenda was hidden well

now I don't know where I left it

I woke up in Escher's World today

my mother said it was ok

up's down, down is out, out is in

stairways circle back to where you've been

time falls, water crawls, are you listenin'?

did you ever chase your tail

through a maze of exit doors?

I have seen the light by Braille

I have blazed the road before us

we're walking in Escher's World again

rise up you nimble-minded men

Birds roar, lions soar, sheep are cruel

snails pace, paper chase, midgets rule

stuffed shirts, status hurts, we ain't foolin'

let the sequels have their day  
the remake's on its way  
we're living in Escher's World it seems  
we're wide awake within our dreams  
socks hop, lemons drop, butter flies  
tough wimps, sadoshrimps, mojos rise  
pips squeak, widows peek, are you surprised?  
birds roar, lions soar, sheep are cruel  
snails pace, paper chase, midgets rule  
stuffed shirts, Ethel Mertz, we ain't foolin'  
socks hop, lemons drop, butter flies  
tough wimps, sadoshrimps, mojos rise  
pips squeak, widows peek, are you surprised?  
up's down, down is out, out is in  
time falls, water crawls, are you listenin'?  
stairways circle back to where you been  
stairways circle back to where you been  
stairways circle back to where you been
