Creep quasimodo
Yeah, I am a likely target
Sure I'll play the part
Born with the face of an old DeSoto

If misery loves... more
Then why am I crying alone?
I'd make a better bore
If there were someone to practice it on

Chorus:
I need somebody
I'm on the outside looking in
I need somebody
I cannot face my face again

Genetic drifter
Quarantined in my own dimension
Hey look! It smokes, it drinks,
It philosophizes!
It's loving this new attention

We apologize
But the status quota's already met
And if you reapply

You'll need a written excuse from your... vet

(Chorus)

I need somebody
I'm on the outside looking through
I need somebody
I never wanted this tatoo

She gave me water
She gave me her books to carry
Then the dream was gone
I'm back in my sanctuary

Nothing to confess
But I've got scars deeper than your minds

Nothing to declare
But my love for all of mankind

(Chorus)

I need somebody
I'm on the outside looking through
I need somebody
I never paid for this tatoo
