Nothing has changed
Iâ€™m still the man I used to be
Sometimes too loud
Sometimes too proud
Sometimes cruel like a child
So nothing has changed and I
Donâ€™t want it to stay this way

Why do we have to make mistakes
On our own to grow
Why canâ€™t we learn from these mistakes
The otherone did before

So, nothing has changed
Still trust my instinkts
But hate it to be right
Cause I may warn you
As much as I want
It wonâ€™t help
Youâ€™ll just walk ahead
So, nothing has changed and I
Donâ€™t want it to stay this way

Why do we have to make mistakes
On our own to grow
Why canâ€™t we learn from these mistakes
The otherone did before
