Cherelle?

Yes, Pebbs

Have you ever loved someone so much

That you feel it deep down in your soul?

Girl, I truly have

Well, this is how I feel about the one I love

Let's sing it together

Always boy, I never knew a love like you before

You came into my life and gave me more

You are my friend, also my man

And I'll love you always

You, you just don't know what you've done for me

You gave me love and now I'm complete

You are the sun, the only one

And I'll love ya always

Baby, don't leave me

Don't ever desert me

I'll promise my life to you

And I'll love you always

Baby, don't leave me

Don't ever desert me

I'll promise my life to you

And I'll love you always

I, wish I had known that you'd come for me

I was a soul that was lost and incomplete

You were my friend, and now you're my man

And I want you always

I, I just don't know what came over me, boy

You touched my soul and let me feel free

Always be there, and baby don't be scared

'Cause I'll love ya always

Baby always

Baby, don't leave me

Don't ever desert me

I'll promise my life to you

And I'll love you always

Baby, don't leave me
Don't ever desert me
I'll promise my life to you
And I'll love you always

My friend, you're my man
I do, I do, I do
I do love you

You, you should know now that I'll never leave you
Well, I've searched the land and now I've found you
You are my man
My only man
And I'll love you always
Always

Baby, don't leave me
Don't ever desert me
I'll promise my life to you
And I'll love you always

Baby, don't leave me
Don't ever desert me
I'll promise my life to you
And I'll love you always

Baby, don't leave me
Don't ever desert me
I'll promise my life to you
And I'll love you always

Baby, don't leave me
Don't ever desert me
I'll promise my life to you
And I'll love you always

Baby, don't ever leave
Don't ever leave me, please
I promise unselfishly
To love you always

Baby, don't ever go
Don't ever leave me, no
All the things that we've been through
Still love you always

Baby, don't you ever go
Don't you ever go
Never leave you, no

You must stay always
And I'll love you always

Baby, don't you ever go
Don't you ever go
Never leave you, no
You must stay always
And I'll love you always

Baby, don't ever leave
Don't ever leave me, please
I promise unselfishly
To love you always

Baby, don't ever go
Don't ever leave me, no
All the things that we've been through
Still love you always

Baby, don't you ever go
Don't you ever go
Never leave you, no
