A feeling in my heart
Has taken over me completely
And boy you are the star
To come into my life
You can take me

Of all the guys I've ever known
They've never been as wonderful
So special and so sweet to me

In all the dreams I've ever dreamed
No one has been as good to me
And you're the one to answer my dream

Why do I believe that I belong to you
How can I explain the symphony
As far as I can tell my heart's under your spell
And you're the only one, the only one for me

I feel you in my soul
Your heart's caressing me so deeply
I'm under your control
You're all I'll ever need
You can use me

Of all the times I've been alone
No one has been as beautiful
So strong and understanding to me

In all the ways that I can see
No one has been as good for me
And you will always be the one for me, yeah

Why do I believe that I belong to you
How can I explain the symphony
(How can I explain)
As far as I can tell my heart's under your spell
(As far as I can tell)
And you're the only one, the only one for me

Why do I believe that I belong to you
How can I explain the symphony

(How can I explain)
As far as I can tell my heart's under your spell
(As far as I can tell)
And you're the only one, for me, for me, for me
You're the only one for me
