tu hai saazish ke gere mein, dekh toh zara andhere mein - 2
kya hai jo hone ko hai, kya hai jo khone ko hai
kaise yeh khatre hain jo chaye hain
koi kuch kehta kya, chupke koi rehta hai kya
diwaron par yeh kiske saaye hain
(kisi chehre ke pichay koi chehra chhupa hai
tu yeh dekh le, dekh sake toh) - 2
kaun hai ajnabi - 2

sun zara ke aa rahe hain, kiski yeh ahatein
kaun de pata chalega, yeh andhere toh ghate
woh jo bhi hai dushman hai woh karna hai kya zara soch lo
yeh khuni panja hai jo, kaisa shikanja hai woh
khanjar yeh kaise lehraaye hain
(kisi chehre ke pichay koi chehra chhupa hai
tu yeh dekh le, dekh sake toh) - 2
kaun hai ajnabi - 2

tu hai saazish ke gere mein (tu hai saazish)
dekh toh zara (andhere mein)
kya hai jo hone ko hai, kya hai jo khone ko hai
kaise yeh khatre hain jo chaye hain
koi kuch kehta kya, chupke koi rehta hai kya
deewaron par yeh kiske saaye hain
(kisi chehre ke pichay koi chehra chhupa hai
tu yeh dekh le, dekh sake toh) - 2
kaun hai ajnabi - 2

Submitter's comments:Â

Could someone translate me this song in english because I can not find it.
In advance thank you.
