poocho behki fiza se
poocho urrti ghata se
[repeat]

in ko dekh ke pehle kyun dil dharrka nahi tha
jaadoo mujh pe huwa hai ye to teri nazar ka

poocho behki fiza se
poocho urrti ghata se
[repeat]

khili khili ye kali pagli huwi hai
jawan jawan rut bhi badli huwi hai
dekho dekho ye leher thehri huwi hai
sooni sooni nadiya gehri huwi hai
poocho neele gagan se
poocho mehke chaman se
dekho, dekh ke pehle kyun dil kyun dharrka nahi tha
jaadoo mujh pe huwa hai ye to teri nazar ka

poocho behki fiza se
poocho urrti ghata se

nai nai duniya lagne lagi hai
nai nai halchal jagne lagi hai
nae nae sapne sajne lage hain
nae nae naghme bajne lage hain
poocho behti leher se
poocho mehke phoolon se
dekho, dekh ke pehle kyun dil kyun dharrka nahi tha
jaadoo mujh pe huwa hai ye to teri nazar ka

poocho behki fiza se
poocho urrti ghata se
