Mm, aa aa aa, oh oh oh
This very earth stops, the sky bows down
When your face comes to view
Oh, when your face comes to view

Tu ijaazat de agar
Tujhse thoda pyaar main kar loon, jaane jaan
Baith jaa mere saamne
Khaali dil khaali nazar bhar loon, jaane jaan
Tu khafa ho jaaye, raat abhi ho jaaye
Bin tere aanchal mein chhup jaaye, chhup jaaye
Yeh zameen ruk jaaye, aasmaan jhuk jaaye
Tera chehra jab nazar aaye
Ho, tera chehra jab nazar aaye

Tu agar keh de mujhe
Chaand bhi le aaon jaane jaan, jaane jaan
Ek taara maang le
Aasmaan le aaon jaane jaan, jaane jaan
Yaad tu jab aaye, neend bhi le jaaye
Khwaabon ke jungle mein chhup jaaye, chhup jaaye
Yeh zameen ruk jaaye, aasmaan jhuk jaaye
Tera chehra jab nazar aaye
Ho, tera chehra jab nazar aaye - 2
Hm, aa aa aa, hm, aa aa aa, aa aa aa
