I need you back to me  
And come into my arms  
Don't ever let me go  
I need you back to me  
And fall into my arms  
Don't ever let me go  
Back to me, baby  
Back to me, baby  
Back, be my lover  
Back to us, baby  
Hold me into your arms  
I'm gonna need you back to me  
If you just let me  
I'm gonna make you feel  
Play the moon and the stars  
Lead you right behind me  
I'm gonna need you back to me  
I need you back to me  
And come into my arms  
Don't ever let me go  
I need you back to me  
And fall into my arms  
Don't ever let me go  
I will create you in my dreams  
And kiss your lips for real  
I'll make you stay with me  
Play the moon and the stars  
Lead you right behind me  
I'm gonna need you back to me  
I need you back to me  
And come into my arms  
Don't ever let me go  
I need you back to me  
And fall into my arms  
Don't ever let me go  
I need you back to me  
And come into my arms  
Don't ever let me go  
I need you back to me  
And fall into my arms  
Don't ever let me go  
Back to me, baby  
Back to me, baby  
Back, be my lover

Back to us, baby  
Hold me into your arms
