Hold on to our love, don't let go  
Hold on to our dreams  
Dreams and hopes baby  
Fight with me, this destiny

Every fear, every cry, was in vain  
Every smile, always lost  
If you leave baby  
You're losing me and us  
Oooooooh

Just hold on the memories in your heart  
Listen to the silence  
Hold on and bring my love tonight  
Hold on to me my baby

Just hold on the memories in your heart  
Listen to the silence  
Hold on and bring my love tonight  
Hold on to me my baby

Hold on to our love, don't let go  
Hold on to our dreams  
Dreams and hopes baby  
Fight with me, this destiny

Every fear, every cry, was in vain  
Every smile, always lost  
If you leave baby  
You're losing me and us  
Oooooooh

Hold on the memories in your heart  
Hold on and bring my love tonight

Just hold on the memories in your heart  
Listen to the silence  
Hold on and bring my love tonight  
Hold on to me my baby

Hold on to me my baby
