I could hold you close
I could hear your voice
If I unchain my words

I would be free
Now I'm willing to be yours
I'll take over the world
I swear, you have my word

I'm waiting, I'm waiting
To be hypnotised
I feel the love its in your eyes
I'm trippin' up over my words

I could hold you close
I could hear your voice
If I unchain my words

I would be free
Now I'm willing to be yours
I'll take over the world
I swear, you have my word

I'm waiting, I'm waiting
To be hypnotised
I feel the love its in your eyes
I'm trippin' up over my words

I'm waiting, I'm waiting
To be hypnotised
Two hearts becoming one tonight
I'm trippin' up, it's Paradise

Just feel me
Just feel my love
Tonight I will promise you
I will take care of you tonight
'Cause baby you are in my mind
Without you I feel so blind
Just feel my love

I'm waiting, I'm waiting
To be hypnotised
I feel the love its in your eyes
I'm trippin' up over my words

I'm waiting, I'm waiting
To be hypnotised
Two hearts becoming one tonight
I'm trippin' up, it's Paradise
