(Feat. Beverley Brown)

Cast around on the ground,
Cast around on the ground,
Cause I feel your flavor everywhere!
I just believe is there!
Up and down, hear that sound,
Cause baby you see it every time!
It makes me feel alive!

Chorus:

I can't live without you!
I'm spacing out not with you
I can't live without you, no!
Come and make it true!
I can't live without you!
I'm spacing out not with you
I can't live without you, no!
Come and make it true!

Sense of time on my mind,
Baby I wait for you each day,
Don't take my hope away!
Dream away, all the day
I see the rainbow in my way!
For you I always pray!

Chorus:

I can't live without you!
I'm spacing out not with you
I can't live without you, no!
Come and make it true!
I can't live without you!
I'm spacing out not with you
I can't live without you, no!
Come and make it true!

I can't live, no!
I can't live without, without you!

I can't live without you!

I'm spacing out not with you
I can't live without you, no!
Come and make it true!
I can't live without you!
I'm spacing out not with you
I can't live without you, no!
Come and make it true!
No, no, no!
Come and make it true!
