

Pedro The Lion "Helicopter"

Visit "[Helicopter](#)" on MotoLyrics.com

I want to fly this helicopter.
And will it be enough?

Me and my wings are very fragile.
And is that what you want?

And I'm so scared that I might crash this bird.
I feel like such a little girl.
This time there is no net to catch me when I fall.
Jesus, please protect me now.

I do the thing that I don't want to.
I am so very tired.

My thoughts have wings and they don't obey me.
What's a boy to do?
And I'm so scared that I might crash this bird.
I feel like such a little jerk.
This time there is no net to catch me when I jump.
Jesus, please forgive me now.

Please have this burden.
Please have this burden.
Please have this burden.
Please have this bird.
