Oh, my, looky there  
Stone cold, fox in platinum hair  
Short skirt, barely there  
Make a chick wanna hate, make a boy wanna stare  
Well...

Miss Hilton, you must be worth a trillion bucks  
Get the feeling that you don't really give a fuck  
Miss Hilton, I like the way you push and glide  
Rollerskates on a social butterfly  
Woo!

Breeze by velvet ropes  
Ski this town like a bunny slope  
Oh, my, there she goes  
A long bodied girl in her short bodied clothes  
Well...

Miss Hilton, you must be worth a trillion bucks  
Was it you with your body all up in the club?  
Miss Hilton, I like the way you push and glide  
Rollerskates on a social butterfly  
Come on...

Instrumental 30 sec

Miss Hilton, you must be worth a trillion bucks

Miss Hilton, I like the way you push and glide  
Rollerskates on a social butterfly  
Well...

Was it you wiith your body all up in the club?

Rollerskates on a social butterfly
