Visit "[Rehearsal](#)" on MotoLyrics.com

It's so priceless when you say you have to work late  
When we both know you're at a motel  
Here's the thing that's so much more depressing  
Than the infidelity itself

Darling, you are so unoriginal  
Each move more obvious than the one before it

You know I always said that I would kill you  
If I ever caught you stepping out

Now I see I did not know the half of  
What hatred and revenge were all about

Darling, you are so unoriginal  
Each move more obvious than the one before it

And I guess I could be bigger but I'd rather make you  
pay

Darling, you are so unoriginal  
You'll see that I can be so unoriginal just like you
