The poison makes it's way through my body slowly  
Into the pleasure centers of my brain  
If you were here I would admit that I'm an asshole  
But now it's over and I can't stay sober  
Though it isn't like I tried  
And on the front porch, or on an airplane on vacation  
Or out for dinner in a NEARBY town  
I was so proud just to have you sitting with me  
But now it's over and I can't stay sober  
Pour and swallow  
Follow one shot with another  
I'll keep on till you agree to come back over  
Or until there are X's on my eyes  
My old man always swore that hell would have no flame  
Just a front row seat  
To watch your true love pack her things and drive away
