Intro: KRS One

Uhh! Yeahhh

I know you're diggin this type of shit right here

We about to spark it on the mic yeahhh

Come on!

Verse One: KRS One Hakim Tuffy

[KRS]

The episode starts when I walk down the block kid

Reach in my poc ket yo where's my knot it

follows me into the spot come tellin

Go check the dread and yes he's herb selling

A punani gate I'm a potential felon

Izm is smelling, like I ain't even telling

Channel one two, I'm smashing the law

Channel three, I make a run to the store

Channel four leave the store with the Phillie blunts I...

spark the izm, I'm off to Channel Live

[Hakim]

Wake up in the morning got the yearning for herb

which loosens up the nouns, metaphors, and verbs

And adjectives, ain't it magic kid what I'm kicking
Multi-flavored bags of sess, for the picking
So listen to the izm as it talks nonstop
Hawaiian when I'm rhymin but so is the chocolate thai
Now the high, starts to settle
Kickin fat lyrics that rocks, like heavy metal
[KRS]

I'm comin out de dance wif de spliff of sensei
When I speak, big up Mack, L.O., and Malik
Like John Lennon, yes I'm I-C-M'n
I start grinnin, and syllables start bendin
My style is untangible, like a wild animal
Check the label as it goes around it's called Capitol
That's what I'm smacking you with cuz it's easy
Like Lionel Richie, your whole style is bitchy
Switch me, mix me, somebody get me
Don't let me rip out my clothes like Bill Bixby
Gripping the microphone until I'm motherfucking sixty
Smoking the indo, by the window, it's sticky
[Tuffy]

Spark the izm, my expertism, is lyricism
My flow will take you over, like I was hypnotism
So where's the lighter, to decipher, the skills that I'm
bringing
hyper than a little kid on ginseng roots
and culture, my intellect will insult ya

Finish off your dead mind like a vulture

I gotta get mine, get a grip

Cuz there's all these weak rappers steady making hits,
FUCK THAT!

But ninety-four I bring the skills back

So listen now I'm doing what I want to do and sparking
mad izm

Chorus:

All we do is spark mad izm - 8X

Verse Two: Tuffy, KRS-One, Hakim

[Tuffy]

I come with notions, deeper than the ocean

Check out my potion, mad rhythm in the motion

The izm, brings the wisdom, when I kick it on the
rhythm

Check it how I rock it in a cipher

Desire, takes you higher, lyrical messiah

(yo yo yo yo yo pass the lighter)

Counterclockwise I rise like the sun

Now feel the heat from the rays of the gun

Shooting out the mental mist

How you gonna know the real shit when your style's
counterfeit??

[KRS]

His shit is counterfeit cuz he's motherfucking phony

Come into the jam try to front like he know me

Hah! Listen to this new type of somethin

Bumpin, ninety-four ain't for no frontin
New type of lingo, catchy like a jingle
Rouneck hip-hop is drippin from the single
Now, let me introduce you to the one
The Channel Live indo this loosens you up
Going to the channels of the remote control
Flicking through the frequencies of your soul
[Hakim]
Then roll the izm, the inflater, I'm weeded
Like wearing a sweater, at the equator, I'm heated
But I flip a style like I flip a channel
Step up and test the skills, you can get me tes-ticules
Cuz hip-hop's been running through my veins ever
since
So it wasn't hard for me to grab the mic and represent
Representing tormenting MC's craniums
Till they can't flow why cuz I'm draining em
Don't mean to be blunt but don't front
I'm doing it for the love so now I'm doing what I want
To do with my Channel Live crew so just listen
Dissing wack MC's and sparking up mad izm
Chorus
