Something in your eyes  
Makes me want to lose myself  
Makes me want to lose myself  
In your arms  
There's something in your voice  
Makes my heart beat fast  
Hope this feeling lasts  
The rest of my life  
If you knew how lonely my life has been  
And how long I've been so alone  
If you knew how I wanted someone to come along  
And change my life the way you've done

It feels like home to me  
It feels like home to me  
It feels like I'm all the way back where I come from  
It feels like home to me  
It feels like home to me  
It feels like I'm all the way back where I belong

A window breaks down a long dark street  
And a siren wails in the night  
But I'm alright 'cause I have you here with me  
And I can almost see through the dark there is light

If you knew how much this moment means to me  
And how long I've waited for your touch  
If you knew how happy you are making me  
I never thought I'd love anyone so much

It feels like home to me  
It feels like home to me  
It feels like I'm all the way back where I come from  
It feels like home to me  
It feels like home to me  
Feels like I'm all the way back where I belong

It feels like I'm all the way back where I belong
