I could you feel you  
You were there  
And I could hold you  
But you're not there  
I, I'm gonna wait  
I, I'm gonna wait  
And I'm gonna wait

I just want you to know  
I want you to know  
All that I have is  
All that I forgot to say  
I want you to know  
I didn't go  
All that I have is  
All that made you run away

I could see you  
You were there  
And I could hear you  
But you're not there  
I, I'm gonna wait  
I, I'm gonna wait  
And I'm gonna wait

I just want you to know  
I want you to know  
All that I have is  
All that I forgot to say  
I want you to know  
I didn't go  
All that I have is  
All that made you run away

â€¦â€¦â€¦I'm gonna wait  
â€¦I'm gonna wait  
I just want you to know  
I want you to know  
All that I have is  
All that I forgot to say  
I want you to know

I didn't go  
All that I have is  
All that made you run away  
All that made you run away€
