Oh my love, why did you leave me?
Say, is it true that you have gone?
My whole world is full of darkness
Without you there is no sun

Oh my love, I feel so lonely
I'm yearning for your lovely eyes
All I have, is just the memory
Of your face so dear and wise

All the time we were together
We always thought it was for ever

Once we lived in paradise
With roses red and silver skies
We used to laugh and dance and live
A life of happiness
And full of sweet caress

Oh darling
Please don't go
Because I need you
I cannot live when you have gone
My whole world is full of darkness
Never more will there be sun

All the time we were together
We always thought it was for ever

Oh my love, I feel so lonely
I'm yearning for your lovely eyes
All I have, is just the memory
Of your face so dear and wise

Please don't go
Because I need you
Oh please don't go
Because I need you
I need you, I need you, just you...
