I don't know what I should say. No one else makes me
feel this way.

La di da da da da da la di da da da da da da no
no no no no. I love you.

I'm so hung up on you, hung up on you. I'm so hung up
on you, hung up on you. Do I need to spell it out for you
I.L.O.V.E.Y.O.U. I'm so hung up on you, hung up on you.
Now there's nothing else that I can do. Oh no. (still don't
know what to do, I got my eye on you, we'll be forever
true)

I know that you feel it too. I see it in your eyes you
wanna see this through.

La di da da da da da la di da da da da da da no
no no no no. I love you.

I'm so hung up on you, hung up on you. I'm so hung up
on you, hung up on you. Do I need to spell it out for you
I.L.O.V.E.Y.O.U. I'm so hung up on you, hung up on you.
Now there's nothing else that I can do. Oh no. (still don't
know what to do, I got my eye on you, we'll be forever
true)

Mmmm. La di da da da da da da. I love you.
