Maybe I fall too fast  
Maybe I love to know  
Maybe I give my heart away  
But maybe I shouldn't have  
Maybe I try too hard  
Maybe I go too far  
Maybe I'm having for the moon  
Catch a ride on ym shooting star

Pre chorus:

Not a moment too soon  
Not a minute too late  
Maybe I made my mistakes  
But it's perfectly ok

Chorus:

'Cause I'm not alone  
I'm not the only one who knows  
You got a crashing bird I need to learn  
Without something wide eyes closed.  
I'm not alone, I'm not alone  
You got a crashing bird to leave you learn  
Without something wide eyes closed

And know I'm not innocent  
And know I'm not so bad  
I wanna look back and be able to say I gave it up...  
I know what I feel for you  
But I don't know if you're feel it too

It's a chance that I will every day  
Nothing...

Pre chorus:

Not a moment too soon  
Not a minute too late  
I'm gonna make my mistakes  
But it's perfectly okay

Chorus:

'Cause I'm not alone  
I'm not the only one who knows

You got a crashing bird I need to learn  
Without something wide eyes closed  
I'm not alone, I'm not alone  
You got a crashing bird to leave you learn  
Without something wide eyes closed.

Gonna live my life with my arms open wide  
Take a lead out of... shine my eyes  
I'm not alone no not alone

[Chorus:]

Gonna live my life with my arms open wide  
Take a lead out of... shine my eyes  
I'm not alone no not alone  
Without something wide eyes closed.
