That thin pleasure line
Spreads in a starving sore...
"Introduce, so, the deadly guest
Introduce, so, the deadly guest"
I'll creep forever behind your mask of Man
I'll creep forever behind your mask of Man I'll creep
Forever behind...
Let suppose that you kill the flesh
I'll be always, however, here
... Gentle poison and gentlest pest
... Gentle poison and gentlest pest
I'll creep forever behind your mask of Man
I'll creep forever behind your mask of Man... your mask
Of Man
Al rapt ur ich granm!
... and always I'll spy your crime...
Al rapt ur ich granm!
