Seen all this before
Heard all this before
Suffered all this before
Sins done all before

Crush! Bite! Rip! Tear!
Grind! Abuse! Annihilate!

I give them light
I give them redemption
I am the bringer of light
A lamb with predator's fangs

Crush! Bite! Rip! Tear!

Grind! Abuse! Annihilate!

Massacre by the grace of God
Psychogenesis in every homicide
Sanctity above creeping taint
Devote, all hail the saint

Massacre by the grace of God
Psychogenesis in every homicide
Sanctity above creeping taint
Devote, all hail the saint
