But when the time has com  
You'll all be dead and gone  
Though my fall from grace to darkness  
I will live to carry on  
[2x]

Darkness [2x]

But when the time has com  
You'll all be dead and gone  
Though my fall from grace to darkness  
I will live to carry on

Time has come [2x]

But when the time has com  
You'll all be dead and gone  
Though my fall from grace to darkness  
I will live to carry on

Darkness
