Visit "[Butterflies](#)" on MotoLyrics.com

Eych kol yom itach ani rotze linshom
Umashehu shebach kvar lo mash'ir makom
Ma od yesh baahava
Lifney shehi tihiye elay tova

I could almost reach the perfect sky
Everytime I fly you stay behind
I know you'll always stay on my mind
(I'll be on your mind)
The time has come
I feel the sign

Don't let the butterflies inside me die
There are deep blue oceans that I must find
The wind beneath my wings must take me high
Don't hold me
Don't hold me

Kol kach harbe yamim ratziti ledaber
Mashehu nish'ar tamid chaser
Tir'e otanu ayefim
Veelef chalomot shenirdamim

Don't let the butterflies...

Don't let the butterflies
Im besof haahava yesh li (li yesh) od zman
Ani rotze lauf achshav lesham
Ad kama bishvilenu rachok mikan
Haosher
Haosher
Don't hold me
Don't hold me
I could almost reach the perfect sky
