If you see me out past midnight
If my eyes are glazed with starlight
If my lips are stained wine red
You might make me lose my head

I might smile or even kiss you, bat my eyes like I
Forgive you
But I don't
No, it's not me
It's the wine, oh don't you see?

Oh my darling, I don't love you
And I'm not about to start
Don't adore you, won't die for you
Not afraid you'll break my heart

You've been talkin like I need you
Like I'd do anything to keep you to myself
But it's not true
Hardly even think of you

And if I call you and I'm lonely
Just remember that it's only just a habit
It's not me
You're so easy, don't you see?

Oh my darling, I don't love you
And I'm not about to start
Don't adore you, won't die for you
Not afraid you'll break my heart

And if you're thinkin' you might woo me
Say you're true to mine, you'll soon see
I'll just slip away like sand, runnin' from your hands

So if you see me out past midnight and I whisper that I
Just might
Just remember that's not me
I don't love you don't you see?

Oh my darling, I don't love you
And I'm not about to start

Don't adore you, won't die for you
Not afraid you'll break my heart
