Breathe pain.....lord out of my head
Lay me, lay me, lay me, lay me down
Fall.....out of my way
Sinking', I'm sinking
As you stay will you ?
Will you ?

This.....night leaves with no sleep
Coming, coming, coming with no end
Somebody please stay
Hear me out, I talk in riddles
Home can't be found, I've lost my way hold me (I'm
talking)
Call me (I'm walking)
And that's all
I don't care what, I don't care where, I don't care when
breathe....life into these days
Tell me, tell me, tell me where to go
Feel.....safe when you come
Hear me out, I talk in riddles
Home can't be found, show me the way
