[DD] Check this out  
I think I'm a lucky guy because this woman, I have  
found her  
[YY] Ah-ha?  
[DD] Beginnin to think of her more and more, then I  
grow fonder  
By takin her out and showin her, this brother is like  
hypin  
Why be frightened?  
[YY] I'm not frightened...  
[DD] Cause tonight is gonna be our night that we'll  
embrace  
Face to face and make sweet love  
[YY] Ooh, is it really sweet?  
[DD] Well, here's a taste...  
[YY] But wait, how do I know that you're not fooling me?  
[DD] Who is? Relax, sweetheart, I know what I am doin  
[YY] Okay  
[DD] Cause I'm not a simple fella that'll tell ya  
Just anything cause I mean exactly what I say  
[YY] So if I do wait I'm really sorry for all that time it  
took  
[DD] Yeah, sure  
So what are you tryin to say?  
[YY] Hey look, it's like this

[Female singer]  
Tonight is the night  
That you make me a woman  
You said you'll be gentle with me  
And I hope you will

[YY] Hm, so here we have this, a intimate dinner  
With me and you, and after refreshments, what will we  
do?  
[DD] We'll take a stroll along the? of the beach  
[YY] Ooh, and next?  
[DD] We'll try to do the wild thing by the sea  
[YY] Na-ah, see look, Dazzie, you act like that's all there  
is  
[DD] Let's not be silly, you know I care about you

[YY] Really? And besides, whenever we're together you  
don't act right  
And I'm the type of girl who likes to wait  
[DD] Yeah, right  
And I can have a girlfriend that don't share  
[YY] Well?  
[DD] Cause there's lots more of her  
For your information panties wettin  
So why hold out?  
[YY] Cause when it comes to this I must resist  
Hey look, straight up, it's like this

[Female singer]  
I'm nervous  
And I'm?  
Waiting for you to walking in  
I tried so hard to relax  
But I...  
I just can't keep still  
No

[YY] Now first of all, we kiss and hold hands and that's  
all great  
[DD] So now I guess it's time to make love?  
[YY] Ah-ah, see now wait  
See, I can't have a boyfriend that don't spend time to  
be with all of me  
[DD] But I do...  
[YY] Not the kind of star that try to try to dog me  
[DD] No but it's not like that  
See, I'm the other kind, the soft and nice type  
Then I like to quickly make a moment when the mood's  
right  
[YY] It's real fun, we're by ourselves when we're  
together  
But if we wait (wait?) it'll be much better  
[DD] Yeah, whatever...  
[YY] So why all the rush, it doesn't matter where we do  
it  
[DD] Cause you're my sweetheart and the only one I  
wanna groove with  
[YY] Okay, shall we hold on or shall we let go?  
Step off and go?  
[DD] Nah, heck no  
[YY] Why?  
[DD] Cause you're special  
[YY] So why all the rush to the bedroom, I really don't  
know you  
[DD] Yeah, you're right, but here's the perfect time to  
[YY] Okay, not that way, it seems that's all there is  
[DD] But it's not true

[YY] So what you wanna do?

[DD] Look

[Female singer]

Tonight is the night

That you make me a woman

You said you'll be gentle with me

And I hope you will
