(feat. Bebel Gilberto)

Everyday it's a dream,
it's obscene.
I wish I was there.
Far Away,
having fun, beneath the sun, my feet in the sand.
But here I am,
freezing cold, shovling snow,
but why should you care?

I wish I was there.
I wish I was there.
It always begins and never ends.

Winter breeze, antifreeze, screaming please,
I wish I was there.
Coacoa, chilled by snow.
All alone.
?????
But here I am.
Sweat and heat at the beach,
and your not my friend.

I wish I was there.
I wish I was there.
It always begins and never ends.

I wish I was there.
I wish I was there.
It always begins and never ends.
It always begins and never ends
