I'M Your Neighborhood Spaceman  
You Don't Know Who I Am, where I've Been  
circling Like A satellite  
A Sign Post In the Sky Look at Me  
...Just A...  
The World is Shaking It's Solar Sand?  
Cause Now I'M Gonna Say  
I'M Comin' Home  
You Hear My Song Through The galaxy  
Times Light Has Reached Your Eyes  
The World Has Lived and Died but Were Here

Time and Space are Landing right where were  
Standing  
Open Up Your Hand and Something Good Will Happen  
Drinking From the Sun.....  
Stars Align a Thousand Times That Old Black Magic

When No One is Looking  
Ain't Gonna Shut my Mouth and I'M Crying Out  
When No One Is Looking  
I'M In the Balcony Singing the serenade  
When No One Is Looking  
I Swallow Thunder Clouds, I Kiss The Hollowed Ground  
When No One Is Looking  
I Eat The Desert Sand and Drink the Rio grand  
When No One Is Looking  
I'M Crying Raindrops and Chewing Mountain Tops  
When No One Is Looking  
I'M Backing Off the...And I'M stopping Time

I'M Your Neighborhood Spaceman  
and Your Breath Is Moving Through Me  
On the Surface of this Moon I Can Say to You It's Okay  
Somebody Inside of Us Makes this....  
And Well Be Knee Deep In ecstasy No Gravity to Hold  
us Down  
Were Free  
A Thousand Light Years From this Place  
I See the Look On Your Face and I'm There

When No One Is Looking  
I'M Gonna Buckle Down, I'M Gonna Hit the Ground  
When No One Is Looking

.....

When No One is Looking  
I'll Pull the Car Around Cause I'M Leaving Town  
When No One Is Looking  
I'M Just A Rocket Man , I've Seen a...  
I'll Never Give Up  
I'll Never Let You Down, I'll Bring You The Crown  
I'll Never Give UP  
But On the Other Hand I Wanna Be the Man  
I'll Never Give Up  
I'll Never Let You Down, I'll Bring You the Crown

.....

But On the Other Hand I'm Out of Here My Friend
