Dige baram mohem nist nabudanet kenaram
man bikhialet shodam hoselatam nadaram
delam mikhad ke bi to tanhaye tanha basham
atre nabudanet ro ruh lahzeham bepasham

Dige azat, dige azat badam miad pisham naya aroosak
bahune gire akhmu aroosake binamak

Dige baram mohem nist nabudanet kenaram
boro baba welam kon man dige bikhialam
hala ke nisti pisham dardo ghami nadaram
az ruzi ke to rafti hamash tu eshgh o halam

Dige azat, dige azat badam miad pisham naya aroosak
bahune gire akhmu aroosake binamak

Dige azat badam miad kheili delam azat poreh
bedun ke hichki mesle man gule toro nemikhore
esme mano dige nayar hata soraghamam nagir
ye adame khubi besho ya tuye tanhayi bemir
