I know it's 2 years, strange and calling late
I can't sleep girl, you know
So you gotta know that I
Got something heavy on my mind, huu
Right now it's killing me and I feel weak
Enemies got me shook girl, you know
Cause I got butterflies inside
Well girl I called to say that I
I'm in love with you, yeah, yeah

I know that I didn't felt this way before yeah
... never made me fall in love, yeah
No one has ever made me feel this way
The way you make me feel, whoa
You... hard time...
But girl... I gotta tell you
I gotta tell you, I gotta tell you, uh, whoa

Finally, I found a love that's true
I found a love
I'm so in love with you
One thing I know for sure
You're the one I need in my life
I love you more and more
Finally, I found a love that's true
I'm so in love with you
One thing I know for sure,
You're the one I'm needing in my life
I love you more and more

So... had a share of ups and downs
Now it's time for me to be
The man I know you really need
The one I promised I would be, yeah
And as a man I tried of... can't afford, the
commitment...
I need to know you love me too, too

And you feel just like I do,
And it's all about you,

I know that I didn't felt this way before yeah

No one has never made me fall in love, yeah
No one has ever made me feel this way
The way you make me feel, whoa
You... hard time...
But girl... I gotta tell you
I gotta tell you, I gotta tell you, uh, whoa
That you're the one I need, baby

Finally, I found a love that's true
I found a love
I'm so in love with you
One thing I know for sure
You're the one I need in my life
I love you more and more
Finally, I found a love that's true
I'm so in love with you
One thing I know for sure,
You're the one I'm needing in my life
I love you more and more
Finally, I'm in love, I can't believe
You're the one I'm thinking of
I'm so glad that I found you
I gotta tell you, I gotta tell you

Finally, I found a love that's true
I found a love
I'm so in love with you
One thing I know for sure
You're the one I need in my life
I love you more and more
Finally, I found a love that's true
I'm so in love with you
And you're everything I need.
