When the world all around us bends and breaks  
Oceans arise and mountains shake  
When all the plans of men fail again  
There's a light on the horizon shining through  
An unbreakable promise we're holding to  
There's a strong steady hand that will never let go  
Never let go  
We're never forsaken  
Yes, faithful through all of our days  
Never forsaken  
There is hope that forever remains  
And it cannot be broken, stolen or taken  
We're never forsaken  
No  
We don't have to worry what tomorrow brings  
For we know He is sovereign in everything  
We can rest in this peace that always endures  
Of this I'm sure  
We're never forsaken  
Yes, faithful through all of our days  
Never forsaken  
There is hope that forever remains  
And it cannot be broken, stolen or taken  
We're never forsaken  
No  
How marvelous Your love  
Never forsaken no  
You call us your daughters and sons  
Oh oh oh oh oh oh  
Never forsaken  
Never forsaken  
Never forsaken  
We're never forsaken  
Yes, faithful through all of our days  
Never forsaken  
There is hope that forever remains  
And it cannot be broken, stolen or taken  
We're never forsaken  
Oh oh oh oh oh oh oh oh  
We're never forsaken  
Oh oh oh oh oh oh oh oh

Oh oh oh oh oh oh oh oh  
We're never forsaken  
We're never forsaken  
Oh oh oh oh oh oh oh oh
