Have no faith  
Believe me, don't believe in me  
I'm gonna let you down  
You make it so very easy

He's waiting for me  
That's the way I ever want it to be  
It's always been the same  
Yes it has, do you see, wanna be where I belong

I belong  
What am I supposed to do?  
If he were there I wouldn't be with you  
I belong  
And you know the time is wrong  
I'm going home back where I belong

You can't loose what you don't have  
Making waves won't keep mine from me  
I was lonely and there you were  
Don't think he's hiding in the back room  
He knows with a wave of his hand

(On my way)  
You'll be out and I  
(On my way)  
I'll be on my way  
(On my way)  
Back where I belong

I belong  
What am I supposed to do?  
If he were there I wouldn't be with you  
I belong  
And you know the time is wrong  
I'm going home back where I belong

I belong  
If he were there I wouldn't be with you  
I belong  
And you know that it's all I have  
I'm telling you baby, I can't stop now

He's waiting for me  
I gotta go 'cos  
I feel his hand  
Reminds me how ain't no use in having any other man

I belong  
What am I supposed to do?  
If he were there I wouldn't be with you  
I belong  
And you know the time is wrong  
I'm going home back where I belong

I belong  
If he were there I wouldn't be with you  
I belong  
And you know the time is wrong  
I'm going home back where I belong

I belong  
I belong
