Tonight I feel like I've died,
She looked right into my eyes,
And I know that she saw me staring at her,
Cause my mind started racing, the rest's just a blur.
So look me in the eye and say it's wrong,
Tell me that these feelings won't go on, oh no,
Cause tonight,
It's alright,
For this love to survive,
Can't deny,
I'm feeling alive.
So we stay up just talking all night,
As we lay there, the world rushing by,
And I know that she's thinking we just can't survive,
But I know that she's wanting and feeling alive.
So look me in the eye and say it's wrong,
Tell me that these feelings won't go on oh no,
Cause tonight,
It's alright,
For this love to survive,
Can't deny,
I'm feeling alive oh,
I'm feeling alive oh yeah,
I'm feeling alive.
Cause tonight,
It's alright,
For this love to survive,
Can't deny,
I'm feeling alive,
I'm feeling alive oh yeah,
Feeling alive.
