Now I have nothing, so God give me strength
'Cause I'm weak in his way and if I'm strong, I might
still break
And I don't have anything to share
That I won't throw away into the air

That song is sung out
This bell is rung out
He was the light that I'd bless
He took my last chance at happiness

So God give me strength
God give me strength

I can't hold on to him, God give me strength
When the phone doesn't ring and I'm lost in imagining
Everything that kind of love is worth
As I tumble back down to the earth

That song is sung out
This bell is rung out
He was the light that I'd bless
He took my last chance at happiness

So God give me strength
God give me

Grant me his indulgence and decline
I might as well wipe him from my memory
Fracture the spell as he becomes my enemy
Maybe, I was washed out like a lip print on his shirt
See, I'm only human, I want him to hurt, I want him to
hurt

Since I lost the power to pretend
That there would ever be a happy ending

That song is sung out
This bell is rung out
He was the light that I'd bless
He took my last chance at happiness

So God give me strength
God give me strength
