Woke up in some girls bed
Headache and legs like lead
'My boyfriend's home today'
She said, so I fled

I'm running down her street
Well who'd you think I'd meet?
The sister from the week before,

I swore, I'd never go back to that place
The scene of my drunken disgrace

Ohhhh Little Miss Disaster
Oh,oh,oh,oh give it to me faster
Oh,oh,oh,oh Little Miss Disaster
Disaster, disaster oh no

Turns out her guy's in jail
But he just got granted bail
He'd probably hang me with a rope

I hope, that someone breaks this curse and spell
And frees me from this living hell

Oh Little Miss Disaster
Oh, oh give it to me faster
Oh, oh Little Miss Disaster
Disaster, disaster oh no

I can't believe it's come to this
A one night stand with Little Miss
And all my hopes and all my dreams just fade

Oh Little Miss Disaster
Oh, oh give it to me faster
Oh, oh Little Miss Disaster
Disaster, disaster oh no
