Love letters straight from your heart  
Keep us so near while apart  
I'm not alone in the night  
When I can have all the love you write

I memorize every line  
And I kiss the name that you sign

And darling then I read again  
Right from the start  
Love letters straight from your heart

I memorize every line  
And I kiss the name that you sign

And darling then I read again  
Right from the start  
Love letters straight from your heart  
Love letters straight from your heart
