Looking from the window above
It's like a story of love
Can you hear me?

Came back only yesterday
Moving farther away
Want you near me

All I needed was the love you gave
All I needed for another day
And all I ever knew, only you

Sometimes when I think of her name
When it's only a game
And I need you

Listen to the words that you say
It's getting harder to stay
When I see you

All I needed was the love you gave
All I needed for another day
And all I ever knew, only you

All I needed was the love you gave
All I needed for another day
And all I ever knew, only you

This is gonna take a long time
And I wonder what's mine
Can't take no more

Wonder if you'll understand
It's just the touch of your hand
Behind closed doors

All I needed was the love you gave
All I needed for another day
And all I ever knew, only you
