She left on a Sunday afternoon  
It is the only way for everyone concerned, she said  
And I could only ask her why?  
She just smiled and told me "One day I would learn"

Don't you worry, this will all make sense tomorrow  
Don't be sorry, that everything we shared will fade  
away  
There's so much more to see in each new day  
They'd never understand I'm not an ordinary girl

She took nothing but her clothes  
Taking more would just remind her of her past, she  
said  
I thought I'd never laugh again on the day I said  
goodbye  
To my best friend  
Don't you worry, this will all make sense tomorrow  
Don't be sorry, that everything we shared will fade  
away  
There's so much more to see in each new day  
They'd never understand I'm not an ordinary girl

Don't you worry, this will all make sense tomorrow  
Don't be sorry, that everything we shared will fade  
away  
There's so much more to see in each new day  
And now I understand, she's just an ordinary girl
