"Say It"

I have come to a time
When I must really decide
Love you gave, so complete
I want you back

Hear me when I call
Hold me like before
Play the changing forms
Into sleep we fall

And we, wake to love adored
(Ooh ooh)
Tell me that, it's so
(Ooh ooh)
When I look at you
(Ooh ooh)
Through the eyes of love

And I'm missing you
Say, "You miss me too"
Say it, say it, say it
Say it, say it, say it
Say it

Everything feels right
Tenderness invites
Love you gave, so complete
I want you back

Hear me when I call
Hold me like before
Play the changing forms
Into sleep we fall

And I'm missing you
Say, "You miss me too"
Say it, say it, say it
Say it, say it, say it
Say it

Everything feels right
Tenderness invites

Love you gave, so complete
I want you back
(Ooh ooh)
I want you back
(Ooh ooh)

And I'm missing you
(Everything feels right)
Say, "You miss me too"
And I'm missing you
(Tenderness invites)
Say, "You miss me too"
Say it, say it, say it
Say it, say it, say it
Say it
(Love you gave, so complete)
I want you back
(Ooh ooh)
I want you back
(Ooh ooh)

And I'm missing you
(I want you back)
(Ooh ooh)
Say, "You miss me too"
And I'm missing you
