What a dream, I could feel everything

Silk of softnesses

Why alone, I'll be lonely with you

Do I want for diamond skies?

Will you take of me?

Will you take of me?

Not a sound I would hear everything

Everything I hear

Lay me down, dance can we?

Cast as one into the sea

Will you take of me?

Will you take of me?

Cast as one into the sea

Will you take of me?

Will you take of me?

Take of me
