Oh, it's a long time since I saw you  
Well, you know how time can fly  
It seems like yesterday, we were lovers  
Now we pass each other by  
But if we're left alone tonight  
Don't ask me to hold you tight

I go weak  
I go weak  
I go weak  
I go weak  
Weak in the presence of beauty

All my friends keep askin'  
Why I'm quiet while you're around  
But they don't know, I think I'm so lucky  
To stop myself from fallin' down  
So later if you're on your own  
Don't ask me to take you home

I go weak  
I go weak  
I go weak  
I go weak  
Weak in the presence of beauty

'Cos if we're left alone tonight  
I'll have no choice but to hold you tight

I go weak  
I go weak  
I go weak  
I go weak  
Weak in the presence of beauty

I go weak  
(Darlin', I love you)  
I go weak  
(There's no one above you)  
I go weak  
I go weak  
Weak in the presence of beauty

I go weak  
(You're my world)  
I go weak  
(Used to be your girl)  
I go weak  
I go weak  
Weak in the presence of beauty

I go weak  
(I go weak)  
I go weak  
I go weak  
Weak in the presence of beauty  
I go weak  
I go weak  
Weak in the presence of beauty
