As I walk this land of broken dreams
I have visions of many things
But happiness is just an illusion
Filled with sadness and confusion

What becomes of the broken hearted
Who had love that's now departed
I know I've got to find
Some kind of peace of mind, baby

The roots of love grow all around
But for me they come tumbling down
Every day heartaches grown a little stronger
I can't stand this pain much longer

I walk in shadows, searching for light
Cold and alone, no comfort in sight
Hoping and praying for someone to care
Always moving and going nowhere

What becomes of the broken hearted
Who had love that's now departed
I know I've got to find
Some kind of peace of mind, help me please

What bcomes of the broken hearted
Who had love that's now departed
I know I've got to find
Some kind of peace of mind, help me please

I'm searching though I don't succeed
But someone's out there, there's a growing need
All is lost, there's no place for beginning
All that's left is an unhappy ending

So what becomes of the broken hearted
Who had love that's now departed
I know I've got to find
Some kind of peace of mind
I'll be searching everywhere
Just to find someone to care
I'll be looking every day

I know I'm gonna find a way
